Pies for all

Stamatia Daramboukas

About The website

- I wanted to make a fun website focusing on a niche subject.

- I started brainstorming for ideas and finally landed on pies as my subject since they are versatile.

- Pi day inspired me to incorporate some aspects of my website.

- Focused on the different varieties of sweet and savory pies.

Website Concept

Utilized MYSQL to list different sweet and savory pies

Random Pie api

Beef and Mustard Pie

Key Lime Pie

Fish pie

Choc Chip Pecan Pie

Pie time: Countdown to PI day aka 3/14 by utilizing PHP

Pi(e)

Pies for All
